Medical Assistance

- All OEC Staff are certified in First Aid, CPR, and Epi-pen administration.
- In the event of sickness or injury, parents and guardians will be notified as soon as possible.
- The Miami Township Fire-Rescue squad is located within minutes of Glen Helen Outdoor Education Center. There are numerous doctors, urgent care centers and emergency rooms in the area as well.
- There is no refund in the event of a child's departure from camp due to illness or injury.
 - It is our policy that campers will be sent home if they have a fever over 101°F.

Behavior Management

- Our behavior management system is based on the "three strike" rule:
 - A camper may be given a strike for a violation of camp rules.
 - If a camper receives two strikes, a phone call is made to the camper's parent/guardian to inform them of the camper's behavior.
 - If a camper receives three strikes, the camper will be dismissed from camp. The camper's parent/guardian will be called to pick up the child.
 - Certain behavior will be grounds for an automatic dismissal. This includes, but is not limited to, physical violence, threats, or sneaking out of the dorms.
 - There is no refund if a camper is dismissed from camp for misbehavior.

Homesickness

- Expect your child to have a great time at camp! However, if homesickness arises, we will do our best to engage your child's interest while creating a friendly and comforting environment.
- We find that phone calls home often make the situation worse. If it is an extreme situation, our staff will keep you informed so that we can move forward with a solution that is best for your child.
- We find that the mere mention of it can trigger feelings of homesickness. Please do not mention homesickness before your child comes to camp so that she or he may have the best opportunity for an enjoyable growth experience.
- Visitations by parents are not permitted during the week, as we have found parent visits to be a trigger of homesickness among campers.

Promotional Photos and Videos

- Glen Helen staff may take photos and/or videos of campers participating in camp activities for the purposes of marketing in print, electronically, or on the Internet. Campers will not be identified by name without further authorization from a parent/guardian. By signing the 'Glen Helen Ecocamp Release' form you give Glen Helen Ecology Institute permission to publish in print, electronic, or video format the likeness or image of your child.

Phone Calls

- Cell phones are strictly prohibited.
- Campers are not permitted to make or receive phone calls at camp, except in the event of emergencies.
- We will contact you if problematic issues arise. You can also call us during business hours to receive a report on your child's week.
