Dig It

We'll spend the week down-low and up-close with dirt, discovering all the creepy crawly critters that make the soil their home. Leave no log unturned! We may even feed the naturalists a mud pie. Can you dig it?

Forest Friends

Get ready to behave like a different Glen Helen animal each day! We'll move through the woods and use all of our senses just like creatures do. Hunt for toads, seek the slugs, and dance like a salamander.

Nature Ninjas

Enliven all senses by playing awareness games, tracking footprints, and finding signs of wildlife. We will practice camouflage and sneaking softly. Test your talents by surprising another camp!

DAY CAMPS (CONTINUED)

NART

Nature + Art = NART! The beauty of Glen Helen will provide inspiration while campers bring the imagination. Our artists will sculpt mud, weave grass, make messes, and create nature inspired art to take home.

Puddle Jumpers

Explore the Glen's pond and streams in search of the amazing creatures that call them home. We will participate in all sorts of water-themed crafts and games. Come ready for a wet week; no puddle will go un-splashed!

Whimsy

Frolic and skip your way through the forest because this week is all about embracing your whimsical self! Put on your creative hat and get a bit theatrical with story telling, fairy homes, and troll bridges. Meet new people, make great memories, and experience the "magic" of Glen Helen.
